

## **Introduction**

Rimjobs have been common in the gay community forever but somehow it seems that somehow straight couples have finally discovered the joy of having their bunnies tongued as well! Of course websites like Ass Munchers take this activity to its filthiest and least sensual limits, but we can not deny that the action on their site is hot and the contrast of innocent ladies and jaded male performers does add an interesting twist to the experience.

## **Review Rating**

Sam says '*Young innocent ladies learn the art of rimming their man correctly*'
