

Introduction

Bree Olson had a big year in 2007. She won the AVN Best New Starlet Award, some other sex industry awards and even got chosen to be a Penthouse Pet on the cover of their magazine. She is a spunky blonde who stands less than 5'4 inches tall and sucks dick like her throat was eleven feet long! Her official website launched just recently and it already features some of her best scenes ever... exclusively available from her new home on the web!
