

Introduction

Young guys and girls in college don't realize how lucky they are until they find themselves chained to the stuffy corporate culture where they'll live out the rest of their potentially sex-starved lives. That's why they need to grab their horny classmates by the horns and live it up before it's too late. If you've been to even just one of your College Wild Parties without getting laid, then that's one too many!

Review Rating
