

Introduction

Sexy straight girls are empowered these days to do whatever feels good for them when it comes to hardcore adult activities. So if it takes more than one, two, or even three cocks to satisfy your sexual appetite, then more power to you! Of course, if group sex is on your agenda, you might want to give the Gang Bang Squad your number!

Adult Review

One of the most appealing aspects of a good old fashioned gang bang is its ability to arouse both guys who like girls, as well as guys who like guys. As the lucky woman tries her hardest to please the maximum amount of men by using her hands, mouth, and other holes, gay guys can focus on the many different styles of cocks that can be found on the same screen.

This makes Gang Bang Squad one of the premiere destinations for lovers of any sexual persuasion. There are 142 exclusive gang bangs currently available for your viewing pleasure which go back several years. This leaves a strong possibility of finding some of your favorite porn stars that may have recently retired or just didn't stick around for very long.

In fact, you can see a classic starlet who fits into several of these categories. One of the more recent Gang Bang Squad updates features the sexy MILF Kylie Ireland who roared back into the porn industry only a short while ago. She's making the most of her come back by getting nastier than you've ever seen her before, and watching a true porn star masterfully handle multiple hard cocks is like a conductor beautifully orchestrating a symphony, only in this case the encore is another shuddering orgasm!

All of the Gang Bang Squad episodes feature hundreds of original pictures shot with an expert's attention to detail. Each gang bang is preceded with a nice amount of sexy softcore shots where the lucky lady looks gorgeous while completely clothed and teasing the camera. Fast forward a few more pics, and this same vixen is now naked, on her knees, and has two cocks in her hands and one or two more in her mouth. You'll be using the zip archives a lot, since each episode contains several hundred individual pics which are presented in 800 x 533 resolution, which is a tad smallish.

The movies at Gang Bang Squad are both downloadable and streamable in multiple resolutions and formats. Some of the older scenes are stream only, but all newer scenes can be downloaded in WMV as either full length scenes or in shortened multiple clips. And most importantly no DRM is used, meaning you can collect all of these hardcore porn movies and watch them with your partner whenever the two of you get in the mood.

A new Gang Bang Squad update was generally added every other week, but there hasn't been an update in a while now, and there's no mention of any upcoming scenes. Hopefully new content is being planned, but in the mean time there's still plenty of hardcore group sex to watch.

Porn Summary

Watching straight chicks take on multiple dicks at the same time is a major turn on for me, which is why I'd like to be a full fledged member of the Gang Bang Squad.
