Adult Review

Gay College Sex Parties is a gay website featuring 88 exclusive episodes that focus on young partying studs who like to get down and dirty with any boy toy who walks by. At these parties you'll find group gay sex at its finest with no girls getting in the way. None of the episodes have much of a plot, other than putting a bunch of horny dudes together in the same room with some alcohol and letting the cameras catch nature taking its course. All races are represented and all cut cocks are sucked and fucked equally.

All of the new videos uploaded to Gay College Sex Parties are downloadable in an HD .wmv format which is presented in 1068 x 600 resolution and encoded at 3.68Mbps. You can download the full length video or partial segments of it.

If you're not well equipped to handle the High Def file, then there are four other choices available ranging from a 56k file suitable for older connections and a few more that are in between. Downloads are not protected by DRM so you own them, and most lengths fall within the 25 to 30 minute range. Updates have been regular and are added weekly to each of the sites on the network.

The main members area is clean cut and easy to move around, just like the partying twinks. The most recent Gay College Sex Parties update is front and center and features several thumbnails and some descriptive text.

The featured cast members are identified for each scene, and if you have a favorite stud and want to see him in action, then try out the search feature. And if you don't find him and want to see him in a future update, you can use a convenient form that lets you send your suggestions straight to the webmasters who can make that happen for you.

All updates come with a photo gallery that features crisp pictures shot with a high end digital camera. The individual stills are presented in 800 x 533 resolution and have a professional feel to them. You'll see both softcore and gay hardcore action frozen in time for your viewing pleasure, with well over 100 photos per gallery.

Gay College Sex Parties has several short term and inexpensive trial memberships, but your best bet is to skip them. Trial members are not able to download any videos, and are also not eligible to access the entire network of featured sites. Plus, if you decide to let the trial convert to a full membership (or forget to cancel), the monthly rate increases to \$39.95.

Full monthly memberships to Gay College Sex Parties have a cover charge of \$29.95. Monthly members can also hop over to 7 additional websites that feature similar exclusive gay content. The search function works across the entire network of gay sites, and keeping track of the network's latest additions is easy if you regularly check the network's update calendar.

The best thing about the Gay College Sex Parties porn site is that it really does a nice job of capturing all the excitement and the instinctual vibe really comes through in their content. If you have been 'out of action' for a while and want to relive your glory days or get ideas for parties yet to come, it's a site you definitely want to look at more closely.

Porn Summary

Really enjoyed the loose feel and party atmosphere the site creates. The videos may not have been unknowing amateurs but it sure seemed like they were.
