

Introduction

If you're a gay guy on the hunt for a steamy sex session then oddly enough you need to set your priorities straight. You're not looking for a sweet and sensitive man, you want a guy with a big dick, a great physique, and the right attitude. A good place to look for a dude who fits this mold is at the gym, where you can cherry pick a lucky winner from a line of Hot Muscle Dudes who are more than willing to pump you full of their iron.

Adult Review

There are currently 48 exclusive scenes at Hot Muscle Dudes, where you'll find chiseled chests and jocks with rock-hard abs and big stiff cocks.! There's a nice mix of solo scenes and well-cut male couples to keep you interested. The solo scenes generally show off a jock's ability to get sweaty from hard exercise before feverishly relieving themselves of a warm sticky load. The hardcore scenes feature one-on-one sex-filled workouts where the guys have a great time pushing up and into their partner's wet mouths and hairy assholes.

 Over the course of the last year, Hot Muscle Dudes has been updating with super High Definition videos that are presented at 1068 x. 600 resolution .wmv files and encoded at 3.68 Mbps. If you need to pace yourself before working up to that level, four more choices that start from a small 56k file and go up to speeds and resolutions more suited for higher speed connections. These recent additions can be viewed as either complete movies or separated into smaller sections. Downloads are available for all HD files, and no sort of DRM is used on any. You can also stream the movies from a flash-based internal web viewer if you prefer. New episodes are being added at about two per month.

 As you log into the main members page you'll right away realize it has a clean and easy to use interface. The latest Hot Muscle Dudes episode appears in the middle of the page, and has a few associated thumbnail pics and a text description to represent it. You can search for a specific muscle head if you know his name by using the site's search feature. And if you have a suggestion for a guy or setting that you'd like to see in a future update, there's a suggestion form to help you communicate directly with the webmasters.

 All of the exclusive Hot Muscle Dudes content is organized into pages featuring twelve episodes. Each episode is represented by a thumbnail showing off the guy or guys that star in the scene, along with some text and icons. Pay close attention to these icons because they help you figure out what scenes are available in High Definition, and what scenes offer downloadable movies. Only about a year's worth of updates offer downloadable videos. Older content is stream-only.

 Each episode offers a high quality photo gallery where you can see these guys flex their muscles and stroke their cocks in impressive 800 x 533 resolution. The pictures are not vidcaps of the movies, they are all taken with a high end digital camera. Most sets have over 100 pictures, and scrolling through them will give you a good idea about how each movie flows.

 Signing up for a full month's membership to Hot Muscle Dudes currently costs \$39.95 if you go directly to their site, but if you join through BiReviews Free Preview of Hot Muscle Dudes you can save yourself some coin and get full access for the discount porn price of only \$29.95 instead!

 Full monthly membership gets you access to all the Included gay-themed Sites listed on the right side of this review as well. Many of these sites also feature exclusive HD pics and videos. The search feature works across all of the sites, and the chances are high that your favorite guys appear on more than one site. It's easy to keep track of the latest updates by keeping a close eye on the network's update calendar which is available on the main members page.

 Download limits exist even for full monthly members. During your first month of membership you will be limited to 24 downloads. If you let your membership auto-renew, the limit will increase to 48 videos for the second month, and remain at that level for the rest of your membership.
