

Introduction

Insane Cock Brothas is a fun loving site whose main stars are beyond being well endowed by Mother Nature. These two black men surprise their beautiful female co-stars with the sheer size of their chocolate cocks in big dick interracial adventures. Seeing is believing and you definitely need to witness these two well hung hunks in action to believe that dicks this size exist!

Adult Review

Insane Cock Brothas chose its name well. There is no other word that could possibly describe the two, self dubbed, "lords of length" in terms of dick size. The girth of their cocks is just pure insanity! These two can pack any hole to capacity no matter what size it may be, all the while entertaining their viewers with their humorous comments.

Whether you are a guy or girl this site is appealing due to its humor and interracial sexual escapades. It's also appealing to any size queen who has had fantasies of being stuffed full of enormous dick by dark meat masters of the mahogany rod!

Insane Cock Brothas has 88 exclusive episodes, the newest of which are shot in High definition. The variety of girls presented in the videos is vast enough to encompass sweet innocent women and plenty of hot dirty girls just looking for trouble. As a member, you can either download the episodes or you can watch them in your browser using a streaming Flash or WMV player.

Insane Cock Brothas also allows you to chose your connection speed for the download or streaming options. You have the choice to download or stream each clip separately if you have a slow connection or you can watch the whole episode in glorious scene if your connection is fast enough.

In the episode featuring the horny Jaelyn Fox, Jaelyn takes more of black meat into her mouth and pussy than any other girl I've ever witnessed. As the Insane Cock Brothas pound several orgasms out of her well worn holes, Jaelyn cries out in ecstasy and the sound of her moans will ring in the back of your mind for awhile after you watch her raw emotional performance.

Every video has a decent sized gallery that accompanies the episode with 150-200 crisp photos capturing the damsels in everything from softcore pictures while they are still dressed to the hardcore cum covered finale photos.

As a member, you also enjoy access to dozens of other adult xxx sites so there is always more to look at should you find yourself not in the mood for the antics of these super sized black cocks but still horny to see some other kind of perverted porn videos.

Insane Cock Brothas has a certain attraction to it due to its humor and the fact that it offers the chance to watch two men, who make a joke of the old stereotype of black men having large dicks, and the fact that cocks of this magnitude in size are rarely seen. Both men and women, gay or straight can get a kick out of these studs as they joke around and fuck around with hot, tight women. Is it real? Is it fake? Who cares as long as it's fun!

Porn Summary

At first I was in disbelief. The size of the insane cock brothers' shafts made it hard not to just stare at their dicks instead of looking at the hot women that they are fucking. It's an interesting niche that's for sure.
