

## **Introduction**

Jeremy Roddick is a gay site that does a nice job of pairing up athletic muscular gay men with the twink of their choice. The site is relatively new but it already offers 24 exclusive hardcore gay fuck films and each is carefully crafted for maximum hotness! If jock on twink sex videos are what you are in the mood for, then check out this site for sure!

## **Adult Review**

Jeremy Roddick is an emerging man4man website that has a lot to offer but also has a few problems that need to be fixed before it can become one of the truly great gay sites on the web.

The good news is that the site features exclusive gay sex vids and the models really are top shelf hotties. Each scene is filmed in 640x360 which is high quality and the videos can be streamed online or downloaded to your hard drive so you can enjoy them again and again on some future rainy day.

Mac users will be pleased to see .Mov file formats available and the Jeremy Roddick site also offers you plenty of hardcore 630x480 resolution picture sets as well.

The site design is easy on the eyes and lets you get into the action very quickly which is exactly what it should do. However, on the downside, the site does not have dates listed on any of the movies so it's impossible to see how often the site really does update. Jeremy Roddick says the site updates weekly so you can decide if you want to take his word for it or not.

You can join the site for a monthly fee of 29.95 which is a reasonable price but with only 24 movies available that works out to \$1.25 per movie. The additional bonus feeds and pics help but still, it's kind of pricey for the small archive of content offered.

## **Porn Summary**

Given some time to grow its archives, if Jeremy Roddick continues to produce top quality athlete on twink porn for his viewers he will have a really great website worth recommending to everyone. It just needs some more time to update and expand, but if you like the exclusive models on the free preview of Jeremy Roddick it may be worth buying right away.
