

Introduction

Jordan Capri is a petite new starlet who has a look about her that makes many first time viewers think she should be doing mainstream television work somewhere instead. If you have ever watched Dawson's Creek or some other soap opera and found yourself totally turned on then Jordan is exactly the kind of softcore gurl who will rock your world!

Adult Review

Featuring the delightful Jordan Capri it is fair to say that no site could ever do a bad job of presenting her. Seriously, petite brunette teen talent is not difficult to film well... and a party girl like Jordan can carry any scene with very little help from her cast or crew. That being said, the included Network of sites show on the right side of our review and the quality camera work make this a solo girl site worth checking out right away!

Jordan Capri is into guys and girls equally. On her site most of the content is softcore video or high-res pics starring her during private and intimate moments. Some of the content features the sexy antics of Jordan and her gal pals when other Lightspeed girls visit for cameo carnal action. Recently she added her first set of hardcore scenes with a man and they look really great.

This is not some raunch-fest like a lot of other sites, this is a solo girl site designed to feature the beauty and sensual coming of age for one of the net's spunkiest teen models. If you are a girl looking for bi-curious playmate this afternoon... Jordan Capri is definitely one worth visiting!

Porn Summary

Maybe it's just me but the Jordan Capri site really felt like it was more for chicks. She is cute and chipper but she shies away from hardcore and spends most of her time on foreplay. If that does it for you then visit the site because the quality and Network access are worth the price for sure.
