

Introduction

Not since Seka has a Swedish model like Puma Swede cum along and stormed the adult industry with as much well deserved adoration from throngs of adoring fans. Her scenes with women, with men and best of all in big groups have made her one of the top models on the internet. Her private webcam performances are becoming legendary. She may look sweet and innocent but this blonde babe is as hardcore as it gets!

Adult Review

If you are in the mood for some fine female fun I strongly suggest you drop in and take a look at the tour of the official Puma Swede website. This blonde bombshell has a gorgeous set of azure blue eyes, perfectly ripe breasts and legs that go on from the floor to forever!

Puma stars in 45 exclusive movies on her official site that can not be seen anywhere. Her professional high-res picture sets are absolutely stunning. Along with all of that content she also provides her members with live webcam performances, an intimate self-written blog and complete access to all of the TopWebModels sites listed on The Network section of this review.

Simply put, Puma Swede has every attribute of a mainstream glamor model but somehow she has managed to swirl her covergirl good looks and her passion for sex into an appetite for action that would make most hardcore performers blush!

The members area of Puma's website features plenty of girl-on-girl-on-girl action with threeways and fourways featuring several of Ms. Swede's sexiest playmates. However, Puma Swede is unwilling to be defined as a lesbian or a straight-girl. Puma wants it all and what Puma Swede wants, Puma Swede gets!

Handsome hunks a cut above those you normally see on straight sex sites show up and share super-hot trysts with Puma that will have your mouth watering and your fingers fluttering. Many of the scenes are shot on location in beautiful locales but Puma Swede is so pretty that it is easy to overlook the scintillating settings of her scenes.

All of the movies and pictures on her site are downloadable so you can feel free to collect whichever ones strike your fancy and watch them over again any time you need a lil' pick-me-up. It's nearly impossible to drink in the passion of today's sexiest Swedish performer without having a smile on your face.

Add in the smirk she often shares with the camera and the exotic accent that has become one of her trademarks any time she speaks - the result is a website full of fantasies that will satisfy its members for a long time to come.

Porn Summary

When I first saw the star of this site I figured it would be a softcore modeling portfolio. Wow was I ever incorrect! Puma Swede handles sex with a voracious appetite. She also sucks dick about as well as any bi-guy I've ever met!
