

Introduction

The Big Swallow is a site that is definitely intended for a straight audience. It features pretty girls giving quality blowjobs and then swallowing monster cumshots from guys they must have hired and agreed to pay by the ounce! It's a belly-rubbing good time! For the Bisexual audience, the site still has some value because any guys who like to go down the hatch with their man's seed will be just as impressed by the men making these loads as straight guy viewers are by the girls who swallow them!
