

## Introduction

Most young guys are hard up for cash and often walk around with raging hard ons. The producers of Twinks For Cash have generously decided to finance these horny young men as they agree to use their hard cocks in exchange for some hard-earned cash! And all of it is captured on film for everyone's enjoyment.

## Adult Review

Twinks For Cash is the place to find 120+ exclusive porn episodes featuring three hot and horny gay dudes fucking and sucking one another to earn an honest day's pay. Each scene starts off with some bad actors presenting a hard-to-swallow story about why they're broke and why they need some money. Luckily for the viewers, the plot ends pretty quickly and the hardcore action takes over, exchanging lame story-telling for hard-cock-swallowing. All races and body types of represented, though most are clean-cut white boys who deserve to be called twinks. The average length of a clip is 30 minutes.  
Throughout the last year, Twinks For Cash has been updated with high quality HD video clips. The High Def format is a .wmv file encoded at a brisk 3.68 Mbps and presented in 1068 x 600 resolution. There are four lesser-quality options offered in case you don't have the hard disk space or blazing speeds necessary to get the most out of the High Def file. The high definition files are available to download and stream either as full-length files or in pieces. The streams are accessible right from your browser, and the downloaded files are yours to keep because no DRM is used. Updates have been coming in at about one new scene per month.  
The main site is designed with a seasoned surfer in mind. Everything is put in its proper place, and navigation between sections is easy. You'll find the latest exclusive Twinks For Cash update front and center, represented by several nice-sized thumbnails and a text teaser. If there's a particular boy you really like, you can use the search feature to search for all of his scenes. And if there's a special boy toy you'd like to see played with next, a virtual suggestion box is also provided.  
The exclusive content area is a simple section that is easy to surf with twelve episodes per page. Each scene has a mid-sized thumbnail that shows the cast, along with a few labels and icons. It's important that you pay close attention to these icons, because they represent what type of content is available within the update. Only about a year's worth of updates are presented in High Def and offer downloadable videos. The rest of the older content is in standard definition and can only be streamed.  
Every update comes with a picture gallery containing well over 100 individual photos. The photos look great because they are shot with a high quality digital camera and presented in 800 x 533 resolution. These are not screen caps, so the action in the videos may not always exactly line up with the photos, but going through the galleries is a quick way to get a feel for what happens in each movie.  
Twinks for Cash offers several different trial membership options that are all pretty cheap. But none are worth even a few bucks, because trial members are not allowed to download any videos, and they are not allowed to access all of the sites that are part of the network. And if you forget to cancel the trial membership, or like the site and decide to let it convert into a monthly, the monthly renewal rate goes up to \$39.95.  
A full monthly membership to Twinks For Cash is currently priced at \$29.95 and payable with either a major credit card or online check. Full members are also able to access a network of other gay-themed websites that also feature exclusive pictures and movies shot in HD. The search feature that was mentioned earlier works across all sites within the network, and the chances are high that the more popular dudes appear on multiple sites. Keeping track of the latest network updates is easy because there is an update tracker on the bottom of the main members page.  
Overall if you are in the mood to see some sexy young men make the most of their natural abilities to tease and please older men with their lean twink bodies... then Twinks For Cash is worth a long hard look!

## Porn Summary

I liked the site but the set-up did get a bit repetitive after a while. I know it's porn but the acting could still be better than some of what they show.
