

Introduction

Wank Off World claims to be a fantastic and gigantic mega-site of solo masturbation movies. Actually it is a pretty good site, but only about 25% of the movies are exclusive. The exclusive scenes are excellent and feature real amateur guys in some very hot jerk off videos and picture sets. Then they amp up their collection of wanking content by giving you a lot of non-exclusive stroke material that's also well worth watching.

Review Rating

Sam says '*Solo interviews and stroke-worthy jerkoff videos*'
