

Introduction

Like it rough? These lady lovers in leather are all about the lashes. Eyelashes wet by tears, asses reddened by the leather lash of the whip and the kind of whiplash that most viewers will experience the first time they see this site. Whipped Ass is a real genuine bondage site that is not for the timid. We included it in our reviews because if you want this sort of content, this is the best site in the world to get it from!
